

Welcome to Mystic Lake Family Camp!

Making memories, sharing adventures, and enjoying the great outdoors together!

We're excited to welcome your family to Mystic Lake! To help everyone have a safe, fun, and memorable experience, please take a few minutes to review our family camp guidelines.

Family Supervision

Family camp is all about enjoying time together! Parents and guardians are responsible for supervising their children at all times. For everyone's safety and comfort, pets are not permitted at camp.

Check-In & Check-Out

Let the adventure begin!

- Check-in: Friday at 5:00 p.m. at the Main Lodge. All families must check in upon arrival to confirm registration and waivers.
- Registration: Every member of your family must be included on your registration and checked in upon arrival.
- Check-out: Monday at noon. Late check-outs will incur an additional fee.

Meals & Snacks

Come hungry and ready to enjoy some great camp food!

Our first meal together will be breakfast on Saturday, and we'll wrap up our weekend with brunch on Monday. All meals are served in the dining hall and are not available for carryout.

- All snacks brought from home must be nut-free and produced in a nut-free facility.
- Any personal food brought to camp must be stored in coolers.
- Due to Health Department regulations, Mystic Lake is unable to store personal food.

Safety First!

We want your family to have fun while staying safe throughout your stay.

- Severe weather: In the event of a storm, designated shelter areas are the bathrooms and bathhouses.
- Fire alarm: If you hear a fire alarm, please gather at the pavilion by the Rock Wall.

Adventure & Activities

Get ready to climb, swing, splash, and make memories!

- Climbing and challenge activities: Closed-toe shoes are required for rock climbing, the Giant Swing, high ropes, and crate stacking.
- Waterfront fun: Swimming and boating are permitted only when the waterfront is open and supervised by Mystic Lake Camp lifeguards.
- Life jackets: All participants must wear life jackets while boating and using the AquaPark.

Thank you for helping us keep Mystic Lake safe, welcoming, and full of adventure for everyone. We hope your family enjoys a wonderful weekend filled with laughter, new experiences, and memories that will last long after you leave camp!
